# Exit Lights

## Edge Lit Series

**EMERGENCY**

- Universal Bracket Included
- 120 / 277 Volt
- EM = Emergency Backup

The Edge Lit Series Universal Surface Mount Exit Lights are great for any commercial and business settings. They include an emergency backup ballast and a universal bracket.

New York City exit signs require lettering with a height of 8 inches in any building designated as a theater, concert halls, or designated as a shelter or fraternity & sorority house. All exit signs in New York City are required to have red lettering. In addition, these units must be of metal or other durable materials.
